

WALK

ON THE WILD SIDE!

Are you passionate about wildlife? Would you like to get up close and personal with exotic animals? Would you like to find out more about the animals here at the Zoo? The Exmoor Zoo Walk on the Wild Side experience can make this a reality!

The Walk on the Wild Side experience gives you an exclusive guided tour with one of the senior keepers or a zoo education officer, who will introduce you to a range of the Zoo inhabitants and ensure that you experience them in a very special way. The Walk lasts for 2½ to 3 hours. Please ring the zoo for availability and confirmation. Dates are allocated on a first come basis. Animals encountered vary depending upon season and animal health and welfare, but may include tapir, alpaca, binturong, cheetah and tayra amongst many others!

The price includes your entry into the zoo, a hot drink on arrival and a photographic record which will be sent to you on CD after your walk.

Walkers will need to wear appropriate outdoor clothing and footwear and are welcome to bring their own camera equipment. The Zoo will need to be informed in advance if a member of your party has any special needs or medical conditions. Please phone to discuss your arrangements.

To maintain the intimate nature of the experience, numbers are strictly limited.

The prices are:

Single - £85

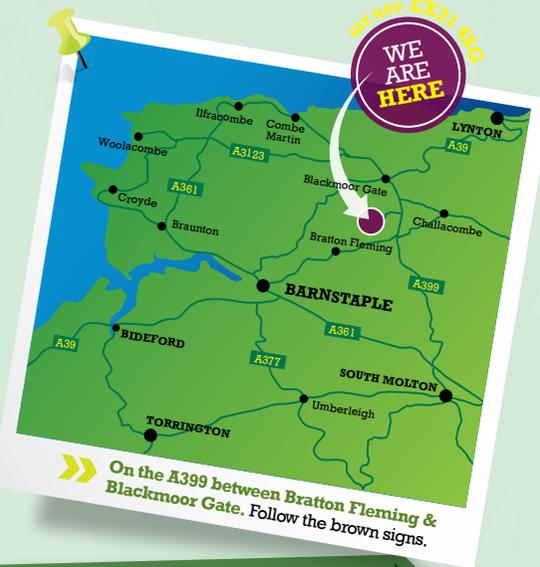

Couple - £100

Additional person - £40

Family (up to 5) - £200
(maximum of 5 people)

To walk alone, participants must be aged 16 years or over. A responsible adult must accompany participants under the age of 16; this will be charged for as a couple (£100).

Adults accompanying minors are fully responsible for supervision of the young person for the duration of the experience.

KEEPER FOR A DAY

EXPERIENCE

Through our "Keeper for a Day" scheme we can offer you a unique opportunity to experience a day in the life of a zoo keeper, but be warned you will be expected to join in the "cleaning"!
